

Cleaning & Maintenance Solutions from a Market Leader

Safic has been at the forefront of manufacturing and supplying high quality, environmentally friendly chemicals, offering exceptional value to the industry over the past 28 years.

In a quest to continually raise the bar by introducing groundbreaking and innovative customized solutions to meet clients' maintenance needs, Safic is proud to introduce Rubbermaid Commercial Products as the latest addition to its extensive range of cleaning and maintenance solutions.

The broad Rubbermaid Commercial Products range now locally available from Safic includes innovative solutions for waste management, cleaning, safety, food services, floor maintenance and material handling.

For more information on how your company can benefit and Work Smarter with Rubbermaid Commercial Products, please contact Terena van Wyk on Tel: +27 (0) 11 406-4009 or email: terena@safic.co.za
